Lab # [REDACTED]

I have attached a summons.

And thank you so much, I know it must be frustrating to get these last minute, no notice requests. I will do all I can to spare you having to come in (likely).

That's fine with me. I currently have a few other summon for this week as well.

Stacey has left the drug lab and is unavailable for court testimony.

Could you please provide me with the Lab #/s associated with this case?

Thanks,

Annie,

This drug case is on for trial on Thursday this week. Is there any chance either you or Stacey Desjardins (her email wasn't on system if you could forward) could be on call for this case?

Once again, sorry for the late/zero notice, so if you can't not a problem.

As always, the chances of one of you having to come in seem low, but I offer no guarantees.

Thank you.
